

## Genie Forklift

Genie Forklift Training Saskatoon - Genie Industries prides itself with the concept of lifting clients and materials higher, extending beyond the products they design. A global corporation that is deeply allied to their clients and enjoys reflecting the spirit of partnership with everything they accomplish. Genie Industries strives to help clientele build their operations no matter how large or small the scale of undertaking may be.

The introduction of the Genie Hoist in 1996, a pneumatic, transportable materials lift initiated the opening of Genie Industries. A series of aerial work platforms and additional material lift trucks followed to meet consumer demand. These innovative products secured global recognition and established state-of-the-art product design.

Now, Genie Industries is a subsidiary of the Terex Corporation. Among their top priorities are to build and maintain foremost quality production and uncompromising level of support and service. With clients from Dubai to Dallas and Hong Kong to Helsinki requesting the unique blue coloured material lift trucks on the jobsite, the business is firmly planted in their exceptional customer values and service. Acknowledging that their clients are their greatest inspiration, the team at Genie Industries are individually committed to offering expertise and maintaining customer rapport.

The reliable team is continually dedicated to identify the most green and efficient, environmentally accountable methods to develop the goods the consumers want. The company's "lean production" procedures help reduce waste while providing the utmost quality product possible in the shortest timeframe at the least expensive cost to the client. The staff at Genie Industries is proud to serve the industry and this is mirrored in every product they design. Always welcoming customer contribution enables them to produce and cultivate innovative new products that are simple to service and handle, provide optimum value-for-cost and meet global standards. Thriving on customer opinion enables Genie Industries to persistently evolve and satisfy the consumers' requirements.

Genie's service experts are eagerly available to offer solutions to the questions you may have in order to keep you fully operational. Their extensive parts network will swiftly dispatch components to guarantee their consumers' machinery are running effectively. Every product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on consumer success. They build and service their goods to boost performance and uptime on the job. Providing on-going training opportunities, to marketing support to adaptable financing options, Genie Industries offers their customers the resources to get the most out of their investment.
