Nissan Forklift

Nissan Forklift Training Saskatoon - Nissan prides itself on reaching complete client fulfillment when their customer is enjoying one of their numerous trucks, cars or forklifts. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to offering high value and meticulous quality standards to their customers. Incorporating a prosperous heritage combined with resilient processing principals, Nissan lift trucks supply some of the best materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European production warehouse in Sweden to sustain their worldwide forklift demands. Committed to providing customer support, the company has four separate production facilities that permit them to continually adapt to their customers continually evolving needs by providing a range of modern ideas and designs.

The Nissan Forklift North and South American base is stationed in Marengo, Illinois. A dedicated team of 350 personnel is committed to the cooperation, design and fabrication of their goods. Working under the ISO-9001 and ISO-14001 certifications, helps each sector of the Nissan Forklift Corporation to maintain environmental responsibility by utilizing methods that diminish the global influence of their products and processes. These high standards remind consumers that Nissan operates under the quality seal that their customers command whilst being an environmentally aware organization.

Nissan is quite certain that any of their clients inquiries and client considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally authorized sellers or even visiting their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their hospitality and commitment.
